High Hopes Rubber Stamps will only sell wholesale to qualified retailers who own a brick and mortar retail shop, or bona fide retail on-line web shop. We do this to help protect our retailers investment in their shops, so they do not get undercut by wholesale buying "clubs".

This requirement for our retailers to have a brick and mortar shop will be waived for the following circumstances.....e-commerce webstore.

\*Currently we also ask that our retailers do not promote or sell High Hopes Stamps via the Ebay/Auction website, they may however sell them on line if they have a company e-commerce webstore.

\*There are no minimum requirements on stamp purchases.

**\*Class kits may contain stamped images for such class but leftover kits may not be sold. Card or scrapbook kits must contain a rubber stamp and not a stamped image. Stamped images whether they are sold or given away will be in violation of our copyright policy.**

\*High Hopes Rubber Stamps will keep a list of our qualified Retailers on its website to direct customers to their local suppliers, helping our retailers to promote their business.
